

Quality Policy Statement

Hire Safe Solutions are leading providers of mechanical powered access solutions when working at height. Our team at Hire Safe Solutions have vast experience in providing safe working at height solutions all over the UK and Ireland, working on projects with budgets from just a few hundred to several million pounds.

Hire Safe Solutions has built its success on reliably meeting its customers' evolving needs.

To underpin our commitment to quality, our Business Management System complies with the requirements of the international quality standard ISO 9001:2015.

We are committed to the continual improvement of the Management System in order to satisfy the requirements of our customers and other interested parties, and to ensure that we meet our strategic goals.

The company sets and reviews tangible quality objectives which are communicated throughout the organization and reviewed on a regular basis.

We regularly review our suppliers to ensure that they continue to meet our high standards.

We are committed to meeting our customer's expectations and actively seek feedback from them to enable us to keep improving all aspects of our business.

A handwritten signature in black ink that reads "G. Jennings".
