
Quality Policy

Hire Safe Solutions provides Plant Hire, Construction Operator training and Asset Finance Solutions

The nature of the company's activities places particular emphasis on experience, expertise, capability, performance safety, reliability & quality.

The Hire Safe Solutions Quality policy is:

- To develop and maintain a quality management system based on continuous process improvement and the avoidance rather than detection of problems.
- To comply with customer, statutory and regulatory requirements and continually improve the effectiveness of the quality management system.
- To supply quality products and services by aiming to exceed the requirements of customers.
- To establish strong relationships with both customers and suppliers that will contribute to improving the quality of what is provided and purchased.
- To provide all employees with the training, resources and support needed to supply quality products and services to customers.
- To set meaningful quality objectives
- To properly communicate the quality policy and quality objectives to all employees.
- To give individual responsibilities and accountability for the quality management system to employees.
- To establish an environment that supports the production and delivery of high quality products and services.
- To actively encourage each employee to realise his or her full potential.
- To foster the concept of a team approach within the organisation based on increasing the company's competitiveness by way of improved quality and productivity.

The Hire Safe Solutions quality policy is displayed as a symbol of commitment. The operation of this quality policy will be monitored by the management. The quality policy is reviewed annually for continuing suitability.
