# Welcome to Hire Safe Solutions

We are leading providers of mechanical powered access solutions when working at height. Our team have vast knowledge and experience with providing safe solutions for working at height, and we would like to pass that knowledge onto you.

Our aim is to supply our customers with the right solutions for their needs, whilst keeping in mind the health, safety and wellbeing of the individuals using the machinery.

Hire Safe Solutions has consistently evolved to meet the needs of our customers and we now offer Operator Training and Asset Finance & Funding through dedicated departments.

Our customers are regularly surprised at our refreshing approach, and our philosophy is simple, *"When our customers succeed, we succeed"*.

At all levels, we endeavour to build lasting relationships with customers as well as having a "Yes" mentality, rather than "If we can, then we will".

We know that the marketplace is full of competition, and we understand the importance of being better, faster and smarter whilst being cost effective. We also work hard to maintain our integrity with the highest levels of health, safety and wellbeing.
